#### Additional Degree Requirements

1. Passing the program comprehensive exam is required.
2. Grade Policy: A satisfactory quality of achievement with a cumulative grade point average of "B" (3.0) or better is required by the CP Program. The average is determined on the basis of the University's grading system. Any student whose overall grade point average falls below a 3.0 will be warned, put on probation, suspended, or terminated from the program. Credits carrying below a "B-" will not be accepted by the CP program as meeting degree requirements. Any course work that receives a grade of "B-" or below must be retaken. The student must receive a "B-" or better in the course being retaken in order for it to count toward the degree.
3. Students should contact the National Board for Certifying Counselors (NBCC) to make sure that their curriculum – especially electives – meets NBCC eligibility.
