Decision (* Voting is restricted to DU faculty)

Pass with no revisions means that only grammatical, labeling or numbering changes are required. Only a limited number of sentence additions or deletions should be necessary.

Pass with minor revisions means that the candidate will be required to reorganize portions of the manuscript and change some of the content.

Pass with major revisions means that a complete section or sections must be rewritten, additional tables are required and interpreted, or the general format must be changed. Responsibility for seeing that needed revisions are made rests with the chair, but committee members also may require their approval before final submission.

Fail indicates that the content is not of acceptable quality or that the candidate cannot defend the research. In most cases, failing the defense results in the rejection of the student's DRP and a new or related study usually will need to be undertaken.
