Additional Degree Requirements

1. Passing the program comprehensive exam is required.
2. Grade Policy: A satisfactory quality of achievement with a cumulative grade point average of “B” (3.0) or better is required by the CP Program. The average is determined on the basis of the University’s grading system. Any student whose overall grade point average falls below a 3.0 will be warned, put on probation, suspended, or terminated from the program. Credits carrying below a “B-” will not be accepted by the CP program as meeting degree requirements.
3. Students should contact the National Board for Certifying Counselors (NBCC) to make sure that their curriculum – especially electives – meets NBCC eligibility.

I have met with my advisor, and I have received and take responsibility for understanding the licensing requirements in the state in which I plan to obtain licensure. □ (check here)
