Lindsay Anderson, Co-Chair

Lindsay is the Co-Chair of the Fisher Advisory Board and a proud Fisher parent to Graham (age 4). A dedicated member of the Fisher community for the past four years, Lindsay has supported the school in many roles—including serving as a room parent, working at the front desk, and even spending time in the classroom as a teacher in the Laughing Butterfly room way back in 2008.

She is passionate about strengthening the Fisher community and helping families feel connected, supported, and engaged.

Caitlin Whitham, Co-Chair

Caitlin has been a proud Fisher parent since 2022, and this community has truly become a second home for her family.

As Co-Chair, she loves supporting school initiatives, connecting with families, and jumping in wherever needed — big or small. She and her husband are raising their two boys in the Denver area and couldn't be more grateful to be part of such a special community.

Clint Paulus, Fundraising Committee Chair

Clint is the parent of Orion, an Abiyoyo, and Maple, a Royal Raven. He loves getting out in the mountains as much as possible and grew up on a blueberry farm in Washington State before being drawn to Colorado's sunshine.

Clint invests in technology and home services companies across the United States and has enjoyed becoming more involved at Fisher.

Rachel Lightstone, Room Parent Chair

Rachel Lightstone and her family have been part of the Fisher community since 2022 and have truly enjoyed being involved. She supports room parents and helps welcome new families so everyone feels included and connected. Rachel lives in Littleton with her husband and two children—one a current Cowboy Bunny and the other a proud Fisher alum. She is grateful for the opportunity to give back to a community that means so much to her family.

Katie Matthews, Events Committee Chair

Katie serves as the Fisher Advisory Board Events Committee Chair. Her daughter is excited to begin her third year at Fisher this June. Katie lives in the DU neighborhood with her husband, daughter, and their two black labs, and they can often be found enjoying nearby parks. As a family, they love traveling, hiking, and camping in the summer, and skiing in the winter. They have enjoyed getting to know other Fisher families and are looking forward to the upcoming school year!

Morgan Roberts, Board Member

Morgan Roberts and her husband, Michael, have three young children who will all be attending Fisher this year. This will be their third year at Fisher, and they have greatly enjoyed their experience within the Fisher community. They strongly believe in Fisher's mission and are grateful for the ways Fisher and its teachers continue to shape their children's lives.

Education is especially important to Morgan, who is a former Teach For America teacher and moved to Denver after completing her MBA to work for an edtech start-up. She currently works alongside her husband at an investment management firm. The family, including their three rambunctious dogs, lives in the Cheesman Park neighborhood.
