

RICKS CENTER ALUMNI

Ricks Center began in the summer of 1984 as one class of four and five-year old children. For many years the school grew by one class each year, until, in 1992, the first class of three eighth grade students graduated. Since that time, contact has been maintained with many alumni through the Longitudinal Study of Ricks Center Alumni. The information below demonstrates that former Ricks Center students gain admission to many of the country's finest universities and choose a variety of different high schools.
