MINIMUM TOTAL CREDITS FOR DEGREE	65**	

**Note: the summary of total credits required for the degree above adds up to 62 credit hours.

However, 65 credit hours are required for the EdD degree in C&I. Therefore, students must exceed the minimum number of hours by three credit hours in order to complete the total degree requirements of 65 credit hours. In addition, you must pass the following non-coursework requirements: comprehensive examination, doctoral applied experiences, and dissertation in practice proposal and defense.
