

APPENDIX A
UNIVERSITY OF DENVER – Morgridge College of Education
Higher Education Department
Doctor of Education (EdD)
DRP Committee Recommendation and Schedule of Oral Defense

In general, all members of the HED Doctoral Research Committee should hold Doctorate degrees. The committee is composed of a minimum of three and a maximum of five members. Three members are voting members: two HED faculty (faculty chair and a committee member) and a third member who may be a community member, adjunct faculty member, post-doctoral appointee, or a professor from other college or institutions. If the third voting member is not a Morgridge College of Education faculty member, the selection must be supported by a strong rationale and submitted for department chair approval.

*It is the candidate's responsibility to reserve a room through 25Live for the oral exam, and notify all attendees of its location.
