## Ricks Center for Gifted Children UNIVERSITY OF DENVER

An enrichment activity is an experience where kids can extend their learning to improve or enhance skills, knowledge, and well-being. Enrichments are run by outside companies or Ricks teachers after school.

Enrichments for the Fall will begin on September 16<sup>th</sup> and end on Nov. 8<sup>th</sup>. They run from 3:40 to 4:40 pm (Chess ends at 5 pm). The Enrichment brochure will go out on August 22<sup>nd</sup>. Some enrichments coming to Ricks include Run Club, Chess, Duct Tape Art, Play-well Lego, and much more. Please email questions to Maggie Wright, [Margaret.wright@du.edu](mailto:Margaret.wright@du.edu).

### Late Pick-Up, Non-Payment, And Discontinuation of Programming

#### **Late Fees:**

Late Fees will be assessed for any child not picked up by 6:00 pm. Ricks will notify parents to confirm pick-up arrangements. If an authorized adult has not picked up a student by 6:00 pm, we will immediately phone parents and emergency contacts. Families are billed \$1.00 per minute, per child, for care after 6:00 pm. While we will work with families in emergencies, if we cannot reach an authorized pick-up person within 45 minutes, we will contact Child Protective Services and follow their recommendations.

#### **Nonpayment of Extended Day Programming:**

If a family fails to make two or more payments of the additional fees and Extended Day Programming, Ricks will not allow the student to attend additional/extended day programming until the additional/extended day account is current and in good standing.

For families with past due accounts, the University reserves the right to bar access to field trips, school day-off camps, school break camps, or summer programming.

Ricks charges an additional 10% late fee to a family's account if the account becomes more than thirty (30) days delinquent.

#### **Discontinuation of Programming:**

The school reserves the right to discontinue programming for any student if Ricks Center Administration deems the programming inappropriate for that student. Some examples may include but are not limited to children who emotionally cannot manage the longer day, exhibit disruptive behavior, or are unable to engage in activities.
